

WILL LABEAUX

CONTENT PRODUCER + STRATEGIST

Content producer with 3+ years of hands-on experience in video production, content creation, and social-first editing for NFL and NCAA programs. Proven track record of concept-to-delivery execution, intern leadership, and viral content creation at scale with my work reaching over 140 million+ impressions. Unique perspective collaborating between creative and sponsorship teams to drive audience engagement through storytelling, high-impact and cinematic visuals, and proven social strategy.

WORK EXPERIENCE

National Football League (NFL) | August 2025 - Present

Live Content Correspondent

- Contracted role capturing video, photo, and social content for Seattle Seahawks home games and various in-market events. Capture content for both teams and league stakeholders simultaneously.
- Apply real-time social strategy to maximize content reach and audience engagement across NFL channels, problem-solve and work collaboratively with teams and league social.

LEARFIELD University of Washington | August 2025 - Present

Content Specialist

- Ideate and produce original and branded video/social content for UW Athletics and Football, driving fan engagement and revenue opportunities across athletic social channels.
- Lead collaboration between UW content team and Learfield sales staff to ideate and execute a robust content calendar resulting in over 31 million impressions over 8 months across sponsored content.
- Solo produce high impact content from concept through final delivery — including writing, shooting, editing, and branded/NIL content creation. Analyze metrics and identify insights for sales and social.
- Shoot and edit high quality long-form series and short-form content averaging over a 4% engagement rate.

University of Colorado Football + Athletics | May 2023 - August 2025

Senior Creative Intern

- Planned, produced, and edited hundreds of high-impact video, photo, and social content for CU Football and Athletics. Pushed social and creative through Coach Prime Era.
- Mentored and managed creative interns, providing guidance in video, photo, and social strategy.
- Created and contributed to viral sports content that generated over 60 Million impressions and 4.6 Million likes across various CU Athletics & Football social channels.
- Led multiple on set shoots including recruiting visits and media days. Also was a key contributor in viral creative projects leading video and social production for Travis Hunter Heisman Campaign, NFL Draft Coverage, and multiple major recruiting announcements.

University of Colorado Boulder Police Department | August 2021- August 2023

Digital Content Intern

- Planned & produced content for CUPD social channels and website to keep University community informed and engaged.
- Independently managed public information campaigns, producing high-quality video, photo, and branding materials in a high-pressure, fast-paced environment.
